SCHORISCH Magis GmbH

Schorisch Magis GmbH, the Karstädt/Brandenburg based company, could give a substantial proof of its quality and performance. In addition to the existing certificate for welding they now received the welding certificate according to the requirements of the directive DVS 2718 part 2 - for ordnance.

The official {doclink download=21}autorisation document{/doclink} has been issued on May 22nd, 2006.

The CEO of SCHORISCH Magis GmbH, Günther Vielhauer, gave the following statement on the occasion of the handing over of the document, "From our point of view the army registration for arc welding (111) and shielding gas arc welding (135, 141) for ordnance is a consequent next step for our company. With this we have again expanded our business activities, so that we are able to offer attractive products and services to our customers. SCHORISCH Magis will continue to step by step develop its skills and know how."
