

international visitors of the SCHORISCH homepage have the choice between English and German language.

PRESS RELEASE

03/06-02

Reinbek/Hamburg

Start of the new Internet presence of the SCHORISCH Group

Reinbek/Hamburg (rie).

On March 31, 2006 the SCHORISCH Group based in Reinbek near Hamburg presented the completely new layout of its homepage in the World Wide Web under www.schorisch.de.

„With the update of our Internet presence we wanted to offer to our customers and business partners a general survey of the SCHORISCH Group as well as of the specific performance and efficiency of our companies concentrating on customer satisfaction“, says the chairman Dr. Jochen Riebensahm.

With the new layout we attached special importance to user-friendliness and easy navigation. Furthermore, it was only natural to pay more attention to the international partners. Therefore

It is also possible to find more detailed information on the homepages of the individual companies or to easily get into direct contact with each company of the Group.
